

## **Needs and wants: Households**

### **Assessment Task**

#### **Survey of needs and wants of your household (Individual activity) (LO1 AS1)**

Do a quick survey of your household. Discuss the questions below with the adults in your household and complete the table.

- a) What needs does our household have?
- b) What wants does our household have?
- c) How much of our income do we spend on needs?
- d) How much of our income do we spend on wants?

	<b>Our household needs</b>	<b>Our household wants</b>
<b>List of needs and wants</b>		
<b>Percentage of income spent on needs and wants</b>
